HOLY FATHER'S MESSAGE

Dear Brothers and Sisters,

"Let this be my greeting at the beginning of the New Year: "Peace is to this house!" In sending his disciples forth on mission, Jesus told them: "Whatever house you enter, first say, 'Peace is to this house!' And if a son of peace is there, your peace shall rest upon him; but if not, it shall return to you" (Lk 10:5-6).

Bringing peace is central to the mission of Christ's disciples. That peace is offered to all those men and women who long for peace amid the tragedies and violence that mark human history. The "house" of which Jesus speaks is every family, community, country and continent, in all their diversity and history. It is first and foremost each individual person, without distinction or discrimination. But it is also our "common home": the world in which God has placed us and which we are called to care for and cultivate ".
